What is Waltershausen like?

A feast for the palate: Waltershausen serves up big!

On 25 May 2024, Waltershausen will awaken to a colourful and lively festival of community and culinary diversity. The 'Colourful Waltershausen' initiative cordially invites you to the big family day on the market square.

The highlight of the festival is the culinary bet: how many dishes from different regions of the world will we bring together? Everyone is invited to bring a sample of their favourite dish and explore the culinary diversity of others.

The supporting programme promises entertainment for all ages, including live music, face painting, a bouncy castle and a play mobile.

Idea: Ask your neighbours, family or friends if they would like to cook with you and come along.

Idea: Bring a colourfully painted stone with your child. Can we make a circle of coloured stones around the town hall?

Do you bring a tasting portion or a cake? -> Great! You are welcome to register:
